**Backing Fabric**

- PE-428 4 yds. (suggested)

**Binding Fabric**

- PE-428 (Fabric P) (included)

---

**Cutting Directions**

¼” seam allowances are included.

WOF= Width of Fabric

LOF= Length of Fabric

- Four (4) 7 7/8” x 4 7/8” Rectangles from fabric A
- Four (4) 7 7/8” x 4 7/8” Rectangles from fabric B
- Four (4) 7 7/8” x 4 7/8” Rectangles from fabric C
- Four (4) 7 7/8” x 4 7/8” Rectangles from fabric D
- Four (4) 7 7/8” x 4 7/8” Rectangles from fabric E
- Four (4) 7 7/8” x 4 7/8” Rectangles from fabric F
- Four (4) 7 7/8” x 4 7/8” Rectangles from fabric G
- Four (4) 7 7/8” x 4 7/8” Rectangles from fabric H

**Construction**

Sew all rights sides together with ¼” seam allowance.

- Take two 7 7/8” x 4 7/8” rectangles from fabrics A-P and twenty-four rectangles from fabric Q
- Start cutting them from the left bottom corner diagonally to the top right corner
- After you have all of the rectangles cut, start attaching the triangles from fabrics A-P to one triangle from fabric Q
- Press open

*Diagram 1*

- Take the remaining 7 7/8” x 4 7/8” rectangles from fabrics A-Q
- Follow the same procedure as done in diagram 1 but this time the diagonal cut will be from the right bottom corner up to the top left corner.
- After you have all of the rectangles cut, start attaching the triangles from fabrics A-P to one triangle from fabric Q
- Press open

*Diagram 2*
Now that all the half rectangles are sewn together its time to start constructing the columns of this quilt top.

Start attaching the rectangles in columns.

Each column will be composed of sixteen half rectangles.

Attach them in the following order: KQ-JQ-GQ-CQ-LQ-IQ-MQ-AQ-FQ-HQ-OO-NQ-BQ-DQ-EQ-PQ

Sew two columns with the diagonal going from left to right and two other columns with the diagonal going from right to left.

Follow the cover picture as a reference.

Take the remaining pieces, you should have two from each fabric combination.

Pair them and start attaching them together forming a white triangular shape in the middle.

After all the pieces are paired together you are ready to make the last column of this quilt top.

Attach them in the following order: P-E-D-B-N-O-F-A-M-H-I-L-C-G-J-K

Sew all rights sides together with ¼"seam allowance. Press open.

Follow the cover photo to help you with the quilt arrangement.

Take the 5’ x LOF and the 2’ x LOF strips.

The 5’ strips will be the side borders and the 2’ strips will go in-between the columns made in diagram 3.

Diagram 4 column will be the center piece of this quilt.

Start attaching the columns and strips together following the cover picture.
**BINDING**

*Sew rights sides together.*

- Cut enough strips 1 ½” wide by the width of the fabric to make a final strip 270” long. Start sewing the binding strip in the middle of one of the sides of the quilt, placing the strip right side down and leaving an approximated 5” tail. Sew with ¼” seam allowance (using straight stitch), aligning the strip’s raw edge with the quilt top’s raw edge.

- Stop stitching ¼” before the edge of the quilt (DIAGRAM B1). Clip the threads. Remove the quilt from under the machine presser foot. Fold the strip in a motion of 45° and upward, pressing with your fingers (DIAGRAM B2). Hold this fold with your finger, bring the strip down in line with the next edge, making a horizontal fold that aligns with the top edge of the quilt (DIAGRAM B3). Start sewing at ¼” of the border, stitching all the layers. Do the same in the four corners of the quilt.

- Stop stitching before you reach the last 5 or 6 inches. Cut the threads and remove the quilt from under the machine presser foot. Lay the loose ends of the binding flat along the quilt edge, folding the ends back on themselves where they meet. Press them together to form a crease. Using this crease as the stitching line, sew the two open ends of the binding with right sides together (you can help yourself marking with a pencil if the crease is difficult to see).

- Trim seam to ¼” and press open. Complete the sewing. Turn binding to back of the quilt, turn raw edge inside and stitch by hand using blind stitch.
Congratulations & enjoy

NOTE: While all possible care has been taken to ensure the accuracy of this pattern, we are not responsible for printing errors or the way in which individual work varies. Please read instructions carefully before starting the construction of this quilt. If desired, wash and iron your fabrics before starting to cut.
