Be sure to read through instructions before beginning. Cutting instructions include 1/4" seam allowance. Yardage is based on 42" of usable fabric width. **Piecing Instructions:**
The two blocks for this quilt are the 8-1/2” x 12-1/2” block of Fabric #2 and the remaining blocks are made of 3 flying geese units.

To make the flying geese you will need to draw a diagonal line on all the 4-1/2” squares. With right sides together you will align one 4-1/2” square with one end of the 4-1/2” x 8-1/2” rectangle. Sew on line. Trim outer edge to 1/4” and press carefully toward square. Repeat for other end with second 4-1/2” square.

*If unsure how to make flying geese units, please Google search “Flying Geese”.

The following combinations of flying geese should be made:
- 15 of Fabric #1 and #3
- 18 of Fabric #1 and #4
- 12 of Fabric #1 and #5
- 18 of Fabric #1 and #6

Sew three of the same flying geese into a block along the 1/2” edge. Make sure the direction of the flying geese are all the same.

Using diagram, sew blocks together along the 12-1/2” edge. Once rows are complete, start at top and sew rows together to complete your quilt.

**Finishing**
Layer quilt top, batting and backing piece, wrong sides of fabrics both toward batting and baste. Hand quilt, machine quilt or tie as desired. Sew (6) 2-1/2” binding strips together into one continuous strip, iron in half lengthwise and sew to raw edge of quilt top.
