Outer Border:

“Before adding a border, it is always a good idea to measure the quilt. Measure down the middle and than a few inches in from either side. If the numbers differ, take the average measurement.

From Sleepyheads - Cut (6) 4-1/2” strips by WOF. Measure the top and bottom of the quilt. Cut (2) of the 4-1/2” strips to that size and attach to the top and bottom of the quilt. Sew the remaining strips together to create a single strip. From this strip, cut two strips equal to the side measurements of the quilt. Add these to the sides of the quilt.

Binding:

From Starry Night - Cut (6) 2-1/2” x WOF strips.
Sew the strips together to create a single strip. Fold in half lengthwise, press and attach to sides of quilt after quilting.
