**To Create a Blocks:**

Draw a line on the back of all of the 2-7/8” squares from corner to corner.

Place a 2-7/8” square with drawn line, right sides together, on the corner of a 8-1/2” square. Sew on the drawn line. Trim the seam allowance to 1/4”. Fold the triangle back over the seam allowance and press. Repeat adding a 2-7/8” square to each corner of the block to create Figure A block.

Sew (1) 3-1/2” x 8-1/2” rectangle to (1) 1-1/2” x 8-1/2” rectangle to create Figure B block. Sew (1) Figure A block to (1) Figure B block to make completed block. Make 16.

**When sewing blocks together, think about the direction of the pattern.**

**Before adding a border, it is always a good idea to measure the quilt. Measure down the middle and than a few inches in from either side. Of the numbers differ, take the average measurement.**

**Inner Border:**

- From 120.101.03.1 - Cut (5) 1-1/2” x WOF strips.

Sew these strips together to create a single strip. From this strip, cut (2) strips equal to top and bottom measurement of the quilt. Add to top and bottom of quilt. Measure quilt again and cut remaining strip into (2) strips equal to length of the sides of the quilt. Add one to each side.

**Outer Border:**

- From 120.101.04.1 - Cut (6) 5-1/2” x WOF strips.

Sew these strips together to create a single strip. From this strip, cut (2) strips equal to top and bottom measurement of the quilt. Add to top and bottom of quilt. Measure quilt again and cut remaining strip into (2) strips equal to length of the sides of the quilt. Add one to each side.

**Finishing:**

Layer quilt top, batting and backing piece, wrong sides of fabrics both toward batting and baste. Hand quilt, machine quilt or tie as desired. For binding (120.101.03.01) - Cut (6) 2-1/2” x WOF strips and sew together in one continuous strip, iron in half lengthwise and sew to raw edge of quilt top. Fold in and overlap end of binding. Turn over raw edge and hand stitch in place on back of quilt.
