### Construction

Use the fabric guide below for fabric combinations.

- Sew two 9-1/4" triangles together. Make 20 units. Use 16 of these and sew two units together as shown to make a quarter square triangle block. Make 8. They measure 8-1/2" unfinished.

- Sew an 8-7/8" fabric 8 triangle to the remaining 4 units. This measures 8-1/2" unfinished. Make 4.

- Arrange blocks as shown below and sew together.
- Add inner border sides, top and bottom. Press seams toward the border strips.
- Add middle border sides, top and bottom. Press seams toward the border strips.
- Add outer border sides, top and bottom. Press seams toward the border strips.
- Layer, baste & quilt. We suggest 8149-33 for backing.

Bind with 2-1/2" strips fabric 12.
