### Half Square Triangle Blocks

1. Draw a line from corner to corner on the wrong side of an 8-7/8” square Wheat Floral Gold or Jacobean Vine Gold. Place, right sides together, on a red or pink 8-7/8” square. Sew 1/4” from each side of the drawn line. Cut apart on the line and press toward the darker fabric. Trim the “ears”.

2. Make a total of 28 half square triangle blocks. They measure 8-1/2” unfinished.

Quarter Square Triangle Blocks
1. In the same manner described above, make 14 half square triangle units with (7) 9-1/4” squares Vine Gold or Tossed Wheat Gold and (7) 9-1/4” squares assorted green or brown.
2. Again repeat this process with the (7) 9-1/4” squares Wreath Brown and the (7) 9-1/4” squares remaining brown and green. This will yield (14) HST Units.
3. Pair the units from step one and step two together.
4. On the reverse side of one of the HST units draw a line diagonally across the seam from corner to corner. Place the units one on top of the other, right sides together, matching the seams. Pin. Again, stitch 1/4” from each side of the drawn line. Cut apart and press. Clip the “ears”. Make 28 blocks.
5. Square the blocks to measure 8-1/2” x 8-1/2”.

Sashing
1. To make one sashing row, Use (7) 1-1/2” x 8-1/2” Jacobean Vine Brown strips and (8) 1-1/2” x 1-1/2” Basics Cream posts. Begin and end with a post and sew the strips as shown. Press toward the sashing strips. Make 9.
2. Arrange the blocks into 8 rows of seven blocks each. Use the quilt picture as a guide for placement and orientation.
3. Alternating with (8) 1-1/2” x 8-1/2” sashing strips, sew the blocks together into rows. Press toward the sashing strips.
4. Arrange the rows, alternating with sashing rows as shown in the quilt picture and sew together.

Pieced Border:
1. From remaining assorted fabrics, including cream & gold yarn dyes, cut a total of (14) 4-1/2” x 4-1/2” squares. Piece two rows of 16 squares and sew to the top and bottom of the quilt. Press toward the border.
2. Piece two rows of 21 squares. The side rows will be slightly longer than you need, so find and mark the center point of the border strip and the center point of the side of the quilt. Match the center points and pin from here. Trim the ends as needed. Press toward the border.

Middle Border
8149-33 Gold Border Stripe
Add the (2) 2-1/2” x 81-1/2” strips for the sides of the quilt. Press toward the border.
Add the (2) 2-1/2” x 76-1/2” strips for the top and bottom of the quilt. Press toward the border.

Outer Border
8095Y-88 Red Yarn Dye
Add the (2) 5-1/2” x 85-1/2” strips for the sides of the quilt. Press toward the border.
Add the (2) 5-1/2” x 86-1/2” strips for the top and bottom of the quilt. Press toward the border.

Layer with batting and backing. We suggest 8148-38 Brown Wheat Floral. Quilt as desired.
