SEW:

Note: All seam allowances are 1/4” unless otherwise indicated.

1. Lay out three 2.5” x 2.5” squares of each fabric for the nine patch units. Sew into rows, then sew rows together to make one unit. Trim unit to 6.5” x 6.5”.

Make four units, mixing the placement of prints to keep a random, spontaneous feel. Repeat for the other three colorways, for a total of SIXTEEN nine-patch blocks.
SEW:

2. Using the diagram below, lay out the block. Sew individual 6.5” x 6.5” squares with the double-nine patch units to make rows. Then, sew rows together to complete the block.

3. Repeat with remaining colorways to make four blocks for the quilt top.

4. Sew the two upper blocks together and press the seam to the right. Sew the two lower blocks together and press the seam to the left. Sew the upper row and lower row together and press seam open.

5. Quilt and bind as desired.
