Note: All seam allowances are 1/4” unless otherwise indicated. Block 18” finished size.

Make half square triangles as follows. Follow the quilt diagram to pair up the 2 7/8” fabric squares in the combinations needed for each block.

1. Pair up two 2 7/8” squares right sides together. Mark a diagonal line from corner to corner. Sew 1/4” to the right and left of the marked line. Cut along marked line and press seams open. Repeat to complete all half square triangles. Each pair of squares makes two half square triangles.

Make the nine patch blocks.

2. Sew three rows of three 2 1/2” squares following the quilt diagram as a guide for fabric placement. Press seams in opposite directions starting with the top row. Piece the three rows together to complete the nine patch block.

3. Assemble each block using one nine patch block, four 6 1/2” squares, 24 half square triangle blocks, four 6 1/2” x 2 1/2” blocks. Follow the quilt diagram on the cover for fabric placement. Follow the block diagram for block assembly. Assemble each row and press the seams in opposite directions, then sew all three rows together to complete the block.
SEW:
