This quilt is assembled in two tall columns from pieced long triangles. Here are the block assembly instructions.

1/4” seam allowances included.

1. For the main triangle blocks first sew the 1B piece to the long edge of 2B piece, press seam open.

2. Next sew piece 3B to the remaining long side of piece 2B. Press seam open.

3. Sew the finishing triangles in the same fashion but align the flat edges to complete a half triangle shaped block.

4. Follow the block guides on the next pages to complete all of the blocks required for the quilt.
5. Following the block guide piece each of the triangles required for the left column.
HOW TO:

6. Assemble the left column by sewing the long side seams of the triangles to complete a column. You may wish to mark the seam allowances at the points so that you can match them accurately.
HOW TO:

7. Following the block guide piece each of the triangles required for the right column.
HOW TO:

8. Assemble the right column by sewing the long side seams of the triangles to complete a column. You may wish to mark the seam allowances at the points so that you can match them accurately.
HOW TO:

9. Trim the height of the kerchief fabric strip to match the finished height of your columns. Sew the strip to the left hand side of the right column. Press seams open.

10. Sew the left column’s right hand edge to the remaining long side of the center kerchief fabric strip.

11. Quilt and bind as desired.
