Directions

Prior to starting this project, please check our web site for any updates: www.clothworks.com.

Nine-Patch - Finished Size: 3" x 3"

1. Create a strip set by sewing two 1 1/2" Light Olive Holly strips to the right and left sides of a 1 1/2" x WOF Red Moire strip, press toward the Light Olive Holly. Cut this strip set into twenty-four 1 1/2" sections.

2. Create a second strip set by sewing two 1 1/2" Light Red Moire strips to the right and left sides of a 1 1/2" x WOF Light Olive Holly strip, press toward the Light Red Moire. Cut this strip set into twelve 1 1/2" sections.

3. Sew a unit from step one to the top and bottom of a unit from step two to create a nine-patch block. Repeat to make twelve.

Putting It Together

1. Sew the 1 1/2" x WOF Light Teal Tonal strips together end to end to make one long strip, press. Sew this strip to the right side of the panel, press and trim excess. Repeat on the left, top and bottom of the quilt top.

2. Sew a 2 1/4" x 24 1/2" Light Cream Tonal rectangle to the right and left sides of the quilt top and press.

3. Referring to the diagram, sew six of the nine-patch blocks, ten large and four small Light Cream Tonal triangles together, press. Repeat to make two. Sew these nine-patch strips to the top and bottom of the quilt top.

4. Repeat step one using the 1 1/2" x WOF Dark Yellow Flora strips.

5. Sew a 4 1/2" x WOF Light Teal Reindeer Toss strip to the right and left sides of the quilt top, press and trim excess. Repeat this step sewing the remaining two strips to the top and bottom.

6. Layer quilt top, batting and backing and quilt as desired. Add binding to the quilt.

Potholders

1. Layer 6 1/2" panel squares with batting and backing and quilt as desired.

2. Referring to the diagram for color placement add the binding to the potholders. To form a loop with the binding, start at the corner the hanger will be attached to. Sew binding around the potholder. When you come back to the beginning corner, extend the binding about 5" from the potholder and stitch the binding closed along the open side. Twist the binding around to make a loop and sew the free end to the back of the potholder trimming excess as needed. Repeat these steps to make four potholders.
