Fabric Requirements...

1 yard for standard pillowcase body
⅓ yard for pillowcase cuff
⅛ yard for pillowcase accent trim

Yardage is based on 42 - inch wide fabric.

Cutting Instructions...

From print for body:
Cut 1, 27½ x 42 - inch rectangle

From print for cuff:
Cut 1, 9 ½ x 42 - inch strip

From print for accent trim:
Cut 1, 2 x 42 - inch strip

Pillowcase Assembly...

Use ¼ - inch seam allowance throughout, a small stitch length, and press seams open.

- Lay the body fabric, right side up, on top of the cuff strip so that the top edges are even.
- Press the accent strip, wrong sides together, lengthwise and lay it on top of the body fabric so that all edges are even.
- Use a few pins along the top edges to hold all the layers together.
- Beginning at the bottom, roll the body fabric up toward the top pinned edges.

• When you can see the bottom edge of the cuff, gently pull the cuff over the rolled body fabric to create a tube. Pin well making sure not to catch the rolled portion of the body fabric in the seam.

• Stitch ¼ - inch along the top edge of the tube. You will be stitching through 5 layers…cuff, body, 2 edges of the accent fabric and then the other cuff edge.

• Gently pull the body fabric out of the tube and press the accent strip away from the cuff.

• Fold the pillowcase wrong sides together. Make sure to match the cuff and accent pieces along the side. Pin as needed. Sew a scant ¼ - inch seam down the side and then across the bottom of the case.

* Remember you are sewing on the right side of the fabric!

• Turn the pillowcase wrong side out and press.

• Sew a very generous ¼ - inch seam down the side of the pillowcase and then again across the bottom of the case being sure not to catch the previous seam.

* Remember this time you are sewing on the wrong side of the fabric.

• Turn pillowcase right side out and press.
