The patterns in Katie Jump Rope take their cue from the vintage charm of Denyse’s tag sale scores with a distinctly modern appeal.

**Finished Runner Size (Bound)**: 12½” x 49” (31.75 cm x 124.5 cm)

**Fabric Requirements**

Katie Jump Rope by Denyse Schmidt

- (A) Ribbon Floral - PWDS107.ALLUR ½ yard (.46 m)
- (B) Daisy Bouquet - PWDS108.GERAN ½ yard (.46 m)
- (C) Black - CSFSESS.BLACK 1½ yards (1.37 m), includes backing

**Additional Requirements**

- Sewing machine with walking foot
- Coats Dual Duty XP All Purpose thread in Black
- Cotton batting, 12½” x 49” (35.6 cm x 124.5 cm)*
- Rotary cutter, ruler, and mat

*Since the binding is created by folding the backing over to the front, the batting should be cut to the same size as the raw edge measurement of the runner top.
Runner Cutting Instructions

**Fabric A, cut:**
(2) 8½” x 12½” (21.59 cm x 31.75 cm), for Block 1  
(2) 4” x 12½” (11.43 cm x 31.75 cm), for Block 2

**Fabric B, cut:**
(2) 8½” x 12½” blocks (21.59 cm x 31.75 cm), for Block 1  
(1) 4” x 12½” (11.43 cm x 31.75 cm), for Block 2

**Fabric C, cut:**
(6) 1½” x 12½” (3.81 cm x 31.75 cm), for sashing  
(1) 14½” x 51” (36.8 cm x 129.54 cm), for backing

Sewing Instructions

**Note:** Use a ¼” (.64 cm) seam allowance throughout. When piecing the runner top, sew all pieces with right sides together and raw edges even.

1. Referring to the photo for block placement, sew blue and red Blocks 1 and 2 alternately together with black sashing strips to complete the 12½” x 49” (31.75 cm x 124.5 cm) runner top.

2. Layer the runner top right side up on top of the batting, and then center the top and batting on the wrong side of the backing, leaving exactly 1” of backing all around the perimeter. Stitch the layers together and free motion quilt or stitch in the ditch (the channel between the pieces) along the sashing strips.

3. Fold the extra 1” (2.54 cm) of backing fabric in half on one side of the runner to meet the edge of the runner top and press. Fold in half again over the top and pin. Press as you go, stitching along the edge with a walking foot. Fold the corner point over to make a triangle, then fold the backing over the next edge in the same manner, and so on to finish.
