Sewing Instructions:
Note: Seam allowances are ⅛” (1.27cm) unless stated otherwise.

Pillow Front:
1. 1. Sew a Fabric C piece to each side of the Fabric A piece. Press seams open.
2. 2. Sew a Fabric B piece to each side of the C/A/C section. Press seams open.
3. 3. Layer the pillow front right side up over the batting and muslin. Baste the layers together and quilt as desired.
4. 4. Trim to measure 15” x 29” (38.1cm x 73.66 cm).

Pillow Back:
5. 5. Fold one 15” (38.1cm) side of one back piece under ⅛” (.64cm) to wrong side and press. Fold under again 1” (2.54cm) to wrong side. Press and sew in place. Repeat on one 15” (38.1cm) side of the other back piece.
6. 6. Wrong sides up, place the back pieces flat so that the hemmed ends overlap each other. Baste along the top and bottom edges across the overlap using a scant ⅛” (.64cm) seam allowance.
7. 7. Trim the backing to measure 15” x 29” (38.1cm x 73.66 cm).

Ruffle Assembly:
8. Sew the 10” x WOF (25.4cm x WOF) strips short ends together to make one long strip. Trim the strip to a length of 138” (350cm).
9. Sew the short ends of the long strip together to create a tube. Fold the tube in half lengthwise, wrong sides together. Press.
10. Mark every 34½” (87.63cm) interval around the raw edge. Use pins, a light pencil or a small notch.

Finishing:
11. On the pillow front, using pins, a light pencil or a small notch, mark the top and bottom edges 14½” (36.83cm) away from the sides. Mark the sides 7½” (19.1cm) from the top and bottom.
12. Gather the ruffle evenly around the pillow top edges. Align marks on ruffle with marks on pillow top. Pin in place and sew.
13. Right sides together and raw edges aligned, pin the pillow front to the pillow back. Keep the ruffle positioned between the pillow front and back, out of the seam allowance. Sew around the perimeter leaving an opening large enough for turning. Clip corners. Turn right side out and press.
