*This print is directional so it may be necessary to cut two squares to get print right side up.
** Fussy cut strips so the words are straight and even featuring the phrases you prefer.

**Additional Material Needed:**
- 42” x 42” Quilt Batting

**Windham Fabrics**
Making the Quilt

1. Refer to quilt picture for accurate color placement. Make a strip set using the two Fabric K strips and the two Fabric M strips. Join the Fabric K/M strip set to the Fabric H rectangle to make a Flag Unit.

2. Make a strip set using the two Fabric J strips and the two Fabric L strips. Join the Fabric J/L strip set to the bottom of the Flag Unit.

3. Sew a Fabric C triangle to the left side of the Flag Unit. (The top corner of the Fabric C triangle should overlap the edge of the Fabric H rectangle 1/4 inch. The bottom corner of the Fabric C triangle will not reach to the end of the Flag Unit. The Flag Unit will be trimmed later.)

4. Sew the Fabric B triangle to the shorter left side of the Fabric I rectangle.

5. Attach the Fabric B/I Unit to the top of the Flag Unit.

6. Sew a Fabric C triangle to the top of the Fabric I rectangle. (The left corner of the Fabric C triangle should overlap the edge of the Fabric I rectangle 1/4 inch. The right corner of the Fabric C triangle will not reach to the end of the Fabric I rectangle. The Fabric I rectangle will be trimmed later.)

7. Sew the Fabric A triangles to either side of the bottom of the Flag Unit. Trim the left side of the Flag Unit even with the Fabric A triangle and trim the right side of the Fabric I rectangle even with the other Fabric A triangle. The Freedom Unit should measure 28 1/2 x 32 1/2.

8. Attach the Fabric E strip to the top of the Freedom Unit and the Fabric D strip to the bottom of the Freedom Unit.
