Cutting
For each background: (1) 2" strip (1) 3¾" strip
For each churn dash: (1) 2" strip (1) 3¾" strip
For the inner border: (4) 1½" strips
For the outer border: (5) 8⅜" strips
For the binding: (5) 2¼" strips

For the version shown, cut (2) 2" strips and (2) 3¾" strips from each fat eighth.

Block Piecing
Stitch the 2" background strip and the 2" churn dash strip right sides together. Press well. Cut the strip into (4) 3½" x 3½" segments.

Cut the 3¾" background strip and the 3¾" churn dash strip into (4) 3½" x 3½" squares each.

Draw a diagonal line from corner to corner on the wrong side of the (4) 3½" x 3½" background squares. Using (1) 3¾" x 3¾" background square and (1) 3¾" x 3¾" churn dash square with the right sides together stitch ¼" on each side of the diagonal line. Cut along the diagonal line to give (2) half square triangle. Press open. Repeat for remaining (3) pairs of 3¾" x 3¾" squares.

With the remaining 3¾" piece of background fabric, trim to make (1) 3½" x 3½" square.

Assemble block as shown:

Quilt Assembly
Arrange blocks as shown. Stitch the horizontal rows of 3 blocks together. Join the (4) rows together to finish the quilt top.
Stitch the inner border strips together forming one long piece. Measure the quilt at the center point from the top to bottom and cut (2) strips to that measurement. Stitch to the sides of the quilt top. Measure the quilt from side to side across the center and cut (2) strips to that measurement. Stitch to the top and the bottom of the quilt.
Stitch the outer border strips together forming one long piece. Measure the quilt at the center point from the top to bottom and cut (2) strips to that measurement. Stitch to the sides of the quilt top. Measure the quilt from side to side across the center and cut (2) strips to that measurement. Stitch to the top and the bottom of the quilt.
Layer, baste and quilt. Bind using the (5) 2½" strips.
