Good-Hearted
80” x 95”
Block Size: 10”

I had so much fun designing this fun, quick quilt! I hope you love making it. This is a great way to showcase 13 of your favorite fat quarters in a simple to piece way. I especially love incorporating my Sunny Panel squares in this quilt, highlighting them as star centers. You will have 4 panel centers left over after making this quilt. They make perfect pillow centers to beautifully coordinate with this quilt. Happy Sewing! Corey

Fabrics Needed:
(13) Fat Quarters (18” x 22”)
(1) Sunny Panel (29050-11)
1 yard print fabric for star points (29057-11)
3 2/3 yard background fabric
2/3 yard binding fabric
7 1/2 yards backing fabric

Cutting Instructions:

From each fat quarter cut:
(4) 3 1/4” x 10 1/2” rectangles
(4) 3 1/4” x 5” rectangles
(2) 5” squares

From the star point fabric cut:
(5) strips 5 1/2” x width of fabric; subcut (32) 5 1/2” squares

From the background fabric cut:
(23) strips 5 1/2” x width of fabric
1. From (11) of the strips, subcut (44) 5 1/2” x 10 1/2” rectangles
2. Trim the selvages from the remaining 12 strips and sew them together end to end. From this long piece subcut the following pieces:
   (2) 5 1/2” x 80 1/2” strips
   (1) 5 1/2” x 50 1/2” strip
   (4) 5 1/2” x 35 1/2” strips
   (6) 5 1/2” x 20 1/2” strips
   (2) 5 1/2” squares

From the Sunny Panel cut:
(4) 10 1/2” panel squares
I chose to use the 4 squares featuring the writing. The squares, when cut apart on the dashed lines will be slightly larger than 10 1/2”. This allows them to be trimmed down nicely to 10 1/2” square. You may find it helpful to use a 10 1/2” square ruler to make trimming these a breeze.

From the binding fabric cut:
(9) strips 2 1/4” x width of fabric; trim selvages, sew the strips together to form continuous binding

From the backing fabric cut:
(3) pieces 89” x width of fabric; sew the pieces together to form two horizontal seams in the backing
**Piecing Instructions:**

1. Draw a diagonal line across the back of the (32) 5 1/2” star point squares. Place one square right sides together on a 5 1/2” x 10 1/2” background rectangle. Sew on the diagonal line. Trim 1/4” away from the sewn line. Press away from the center. Place a 5 1/2” star point square right sides together on the other side of the rectangle. Sew on the diagonal line. Trim 1/4” away from the sewn line. Press away from the center. Repeat to make (16) flying geese units measuring 5 1/2” x 10 1/2”.

2. Choose 1 print 5” square, and (2) 3 1/4” x 5” print rectangles and (2) 3 1/4” x 10 1/2” print rectangles. The rectangles should all be from the same print.

3. Sew a 3 1/4” x 5” rectangle to the sides of the 5” square. Press away from the center. Sew a 3 1/4” x 10 1/2” rectangle to the top and bottom of the unit. Press away from the center. The block will measure 10 1/2” square. Repeat to make a total of (26) blocks.

**Quilt Top Construction**

Lay out the quilt in rows as illustrated to the right. Use 5 1/2” x 10 1/2” background rectangles for the starred pieces. Sew together the pieces in each row. Press seams in adjacent rows in opposite directions. Sew the completed rows together. Press in one direction.

**Finishing the Quilt**

Baste the quilt top, batting and backing fabric together using your preferred method. Quilt as desired and bind using the 2 1/4” prepared binding strips.
