Assembling the Rows

Step 1  Sew a Fabric F small triangle to the right side of a Fabric D large triangle. Press toward the small triangle. Repeat with each of the Fabric D triangles and also the Fabric C triangles.
Step 2  Sew a light small triangle to the left side of a Step 1 unit. Press toward the large triangle. Repeat for all the units from Step 1. You should have nineteen Flying Geese rectangles of each print measuring 2-1/2” x 4-1/2”.

Step 3  Repeat Step 1 sewing all the Fabric G Easy Angle triangles to the right side of the Fabric E and Fabric B large triangles. Press toward the large triangles.

Step 4  Repeat Step 2 sewing Fabric G Easy Angle triangles to the left side of the Step 3 units. Press toward the large triangle. You should have nineteen Flying Geese rectangles with the grey grid fabric (Fabric E) and thirty-eight Flying Geese rectangles with the large floral fabric (Fabric B). At this point the units should measure 2-1/2” x 4-1/2”.

Step 5  Sew all the small light and dark triangles together to make half-square triangles (two of each color: Fabric D/F, Fabric E/G and Fabric C/F) and four of Fabric B/G.

Step 6  Join ten matching flying geese units in one row, and nine in another row. Press the seams open. Sew the matching half-square triangles to the ends of the shorter row, noting the fabric placement and orientation. Sew the two rows together to form a chevron. Press the seam open.

Repeat for each of the prints, making five chevron rows.

Step 7  Sew matching 1-1/2” sashing strips to the top and bottom of each of the chevron rows. Press toward the sashing.
Step 1  Trim all of the Fabric A rows evenly to the same length, approximately 40-1/2”. Sew the rows together, pressing the seams toward the silhouette rows.

Step 2  Measure and trim two black grid borders the width of the quilt. Sew to the top and bottom of the quilt, pressing toward the borders.

Step 3  Piece, measure and trim two black grid borders the length of the quilt. Sew to the sides, pressing toward the borders.

Step 4  In the same manner as Steps 2 and 3, piece, measure and trim wide silhouette borders to the quilt.

Your quilt top is complete! Baste, quilt, bind and enjoy!
