PIECING INSTRUCTIONS:
Using the same print for (1) block, construct the following block elements.

A. Flying Geese (Center Pinwheel):
1. Draw a diagonal line on the wrong side of a 2½" square. Place marked square on the left end of a 2½" x 4½" light grey rectangle. Sew on the diagonal line. Trim ¼" from sewn line and press open. Repeat above steps on the right end. Make (1) matching set of 4.

2. Repeat to make a total of (25) matching sets of 4.

B. Flying Geese (Pinwheel Surround):
1. Draw a diagonal line on the wrong side of a 2½" light grey square. Place marked light grey square on the left end of a 2½" x 4½" rectangle. Sew on the diagonal line. Trim ¼" from sewn line and press open. Repeat above steps on the right end. Make (1) matching set of 8.

2. Repeat to make a total of (25) matching sets of 8.

3. Combine block elements as shown in Figure 3.

4. Repeat for a total of (25) matching sets of 4. Set aside with other block elements for now.

C. Half-Square Triangles (Small Secondary Pinwheel):
1. Draw a diagonal line on the wrong side of a 2½" light grey square. Place a marked light grey square on top of a gold 2½" square, right sides together.

2. Sew ¼" seam on each side of the marked line, cut on marked line and press open. Make (32) gold 2½" half-square triangles (Figure 4).

3. Using a 2½" light grey square and a 2½" yellow square, repeat above steps to make (32) yellow 2½" half-square triangles (Figure 5).

   Make 32.

BLOCK ASSEMBLY:
1. Using the block diagrams as your guide, sew the pinwheel blocks together. Block should measure 12½" square.

Gold and Yellow Corner Blocks (Figure 6):

Perimeter Blocks A and B (Figure 7):

NOTE: Notice placement of gold and yellow half-square triangles when assembling blocks.
Center Blocks (Figure 8):

1. Sew the blocks together 5 blocks across and 5 blocks down, as shown in the quilt diagram and photo. Pay close attention to the placement of each block so the secondary yellow and gold pinwheels are created. Finished pieced center should measure 60 1/2" square.

Border #1:

1. Sew the short ends of (6) 1 1/2" x WOF A strips together to make a long strip. Crosscut the long strip into (2) 60 1/2" strips and (2) 62 1/2" strips.

Border #2:

1. Sew the short ends of (7) 1 1/2" x WOF D strips together to make a long strip. Crosscut the long strip into (2) 62 1/2" strips and (2) 64 1/2" strips.

Border #3:

1. Sew (32) 2 1/2" x 6 1/2" assorted rectangles together lengthwise. Make (2) sets and sew to the sides of the quilt.

2. Sew (38) 2 1/2" x 6 1/2" assorted rectangles together lengthwise. Make (2) sets and sew to the top and bottom of the quilt. (There will be 4 leftover rectangles.)

FINISHING:

1. Prepare backing with a horizontal seam to measure 84" square. Press seam open.

2. Layer quilt top, batting, and backing. Baste layers together. Quilt as desired. Trim layers even with quilt top.

3. Join the (8) 2 1/2" x WOF D binding strips with diagonal seams. Press seams open. Attach binding to quilt using your favorite method.

4. Make a label and sew to the back of the quilt.
