Piece the Quilt Top

1. Using the quilt diagram on page 3 as a reference, arrange the squares and triangles on a design wall. You will have unused, leftover pieces. There will be (6) unused 6½" squares (1 red, 3 violet, and 2 blue) and (10) unused triangles (2 red, 5 magenta, 2 violet, and 1 blue).

2. To make your half-square triangles (HSTs), place (2) triangles right sides together (RST), aligning the bias cut edge. Pin and sew. Press seam towards the darker fabric and trim HST to 6½" square. Make (6) red / yellow HSTs, (10) yellow / magenta HSTs, (9) magenta / violet HSTs, and (5) violet / blue HSTs.

3. Sew the squares and HSTs together to form (12) rows according to the quilt diagram. Press the seams in alternating directions by row.

4. Sew the rows together, pinning at the seam intersections. Press seams open.
Finish the Quilt

5. Make your quilt sandwich with your quilt top, batting, and backing. Baste the layers together, making sure everything is smooth.

6. Quilt as desired.

7. For your binding, cut (6) 2½” width of fabric strips and sew end-to-end. Bind by hand or machine as desired.
